

Placement Drive Report

Company: Manasvi Tech Solutions Pvt. Ltd.

Date: 18th September 2024

Introduction:-

A placement drive was conducted on 18th September 2024 by Manasvi Tech Solutions Pvt. Ltd at Training and Placement office of Institute. The purpose of the drive was to provide students with an opportunity to showcase their skills and secure employment in the Information Technology industry for the post of sales Executive. Also the placement drive aimed to provide our students with the opportunity to start their professional journey in a reputable organization and to bridge the gap between academia and the industry.

Overview of the Drive:-

The placement drive started with a brief introduction by the company's HR team, which provided insights into the roles they were recruiting for and the skill sets they valued in candidates. A total of 33 students from various disciplines participated in the placement drive. This was followed by a series of selection rounds:

1. Personal Interview
2. HR Interview

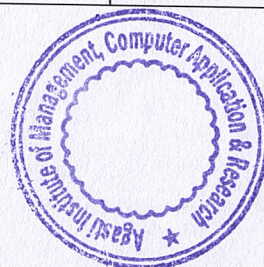

Each round was designed to evaluate the students' problem-solving abilities, technical knowledge, and soft skills to ensure a well-rounded assessment.

Outcome of the Drive:-

After a competitive selection process, five students from Institute were successfully selected for Jr. Sales Executive Trainee – IT Platform by Manasvi Tech Solution Pvt. Ltd. They demonstrated exceptional skill in both technical and interpersonal domains, meeting the company's high standards.

Selected Students List:-
